

EITC PRE-K SCHOLARSHIP

Parents of Preschoolers,

At this particular time, we do not have EITC Pre-K scholarship applications to pass on to our preschool families. Preschool EITC scholarships are funded thru the Butler United Way, and after speaking with a representative, we were informed that funding usually happens between the months of February and April. Butler United Way has told us they will have a better idea closer to April/May if, and how much, funding is available.

We will continue to check with them. As soon as we know more, we will pass the information onto you.

Thank you for your understanding in this matter.

Sincerely,

HIS Kids Staff

Below is information taken from United Way's Website:

United Way of Butler County is an Educational Improvement Tax Credit (EITC) Pre-K Organization. This means, United Way of Butler County manages and oversees EITC contributions from eligible companies, as well as the application process and scholarship administration to eligible families and Pre-K organizations.

Qualifications

To qualify for this scholarship, the parents of the student must either reside or be employed by a company located in Butler County. An eligible student is a Pre-K age student (three to six years of age) who is a resident of Pennsylvania, enrolled in a Pre-K Program located in this Commonwealth, and a member of a household with an annual household income of not more than \$76,350, except that an additional income allowance of \$15,270 is permitted for the student and for each other dependent (as defined by the IRS) living within the same household.
