Dear Friends,

This year at HIS Kids we will be offering a hot lunch to our students 5 days a week. The price of the lunch is \$2.50 and while that is a very inexpensive lunch for most, there are many who cannot afford it. We are seeking assistance from any who are willing. A donation of \$35 will enable a parent to purchase lunches at a reduced rate of \$1.00 a day for an entire month.

For more information or to make a donation please contact HIS Kids Christian School
