RE: Registration for 2017 - 2018 School Year

It's Time!!! We are in the process of making decisions for the coming 2017-2018 school year.

To help you with your decision, here are some things that you need to know:

- We have classes from 2-day preschool through 6th grade
- We offer a Full Day Kindergarten Program (see brochure)
- We offer multi-child discounts and a family registration fee
- **Every day** K-2nd grade participates in a Bible lesson in class and 3rd-6th grade attends a 30 minute Bible class. Throughout the day the Bible lessons will be reinforced as a part of our Bible-rich curriculum
- All elementary students will attend Chapel every Friday to join together to praise God through song, Scripture, and activity
- Our students have done extremely well in both informal and formal testing. We attribute this, in part, **to well-trained teachers, small class sizes, parental support, and a strong academic curriculum**
- Specials will enhance students' learning and allow children to explore their special talents and interests
- Exciting computer-assisted programs like First in Math will continue to motivate students to move their math skills forward
- **Speech services** are available to those eligible students
- The YMCA Child Care provides a good option for before- and after-school care and is available in HIS Kids' school building
- You will be awarded a **\$50.00** family tuition credit for each new preschool family and/or **\$100** family tuition credit for each new elementary family referred to HIS Kids by you once the new family has successfully completed the enrollment process and their registration fee has been obtained. If the new family has a preschooler and elementary student, you will receive the **\$100** family tuition credit.

Enclosed are your registration materials. Please return your application along with a **\$75.00** family registration fee **before March 3, 2017**. Please feel free to contact, Jeanine Burtner at 724-352-8177 or office@hiskidscs.org to discuss any of your questions, comments, or concerns. You can also find us through our web site at HIS Kids Christian School and/or Facebook!
